

# THE FCA FLORIDA REGION TAKES OFF! AT FANTASY OF FLIGHT

Join the us as we take over Fantasy of Flight on Saturday, October 2nd. Located between Tampa and Orlando on I-4 this is the perfect event for all our central Florida folks. Plan on arriving at the world renowned facility at 10am. We will have special parking reserved so make sure you bring your prancing horse. At 11am we'll have a private tour of the "Immersion Experience" as well as selected air craft on the hanger floor. After the tour feel free to join the public tours of the Wood Shop and Restoration Shop. Along the way you may want to take a lunch break at the Compass Rose cafe. Flight simulators are open for those who wish to try their wings along with a Tram Tour. You won't want to miss seeing the Aerial Demonstration of the Day at 1:30pm. You see the folks at Fantasy of Flight believe that planes are meant to be flown; sound familiar?!?!? What's the price for all this fun? Well it's lot less than the mouse down the road!! For only \$25 per adult (kids under 15 are \$15) you can enjoy a day of Fantasy and Ferraris. So join us as we take in the world's largest collection of vintage air planes. *This event is limited to FCA members and their guests.*

**You must RSVP by September 21 with payment, to:**
